Lisa Bauer

React.js Frontend Developer

ABOUT ME

Currently working as a freelance Frontend Developer. I just finished my latest job by contractor. I worked as a veterinary nurse for 6 years. I enjoy graphic design and I am interested in studying UX design to complement my skills.

EXPERIENCE IT

March 2023 - June 2023
- React Frontend Developer at Panacea Fintech.

May 2023
- Freelance project for Avatar World Group (AWG).
